ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on June 25, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below:

On December 5, 2006, appellants filed an Appeal Brief. A review of the file reveals that claims 9, 12, 21, and 41 in the appendix of the Appeal Brief are not consistent as amended in the Amendment filed on November 22, 2004. Appropriate correction required.

Accordingly, it is

**ORDERED** that the application is returned to the Examiner for correction of the Appendix, and for such further action as may be appropriate.
